Cancellationplan

Essential cover for those taking holidays in the UK providing protection for holiday bookings and travel

Key features:

No upper age limit

Cancellationplan is available to people of ALL ages.

No medical screening

Standard travel insurance policies will often require medical screening for those with pre-existing medical conditions. Cancellationplan however has **no** medical screening.

Competitive premiums

With premiums starting from only £19.00 per party, Cancellationplan provides great value protection for your holiday bookings and travel – see page 3 for full details.

24-hour emergency medical & vehicle assistance

Cancellationplan gives you access to a first class medical and vehicle breakdown assistance service.

Experienced coordinators are available 24 hours a day, 365 days a year, to resolve your problems.

Excess waiver option

Under some sections of your policy you will have to pay an excess per person - only one excess applies per party on Cancellation claims and Liability where the claim is for damage to accommodation.

You can opt to delete the standard excesses by paying a small additional premium – see page 3 for details.

First class claims service

A first class claims service is a must. We aim to settle straight forward claims within 5 working days.

Eligibility - UK residents

The policy is available to residents of the United Kingdom*.

Eligibility - Non UK residents

Some limited cover is available to non UK* residents who purchase the cover whilst residing or staying in the UK*. Cover is only provided for Loss of deposit, Cancellation and Curtailment and specific terms and conditions apply. Please contact P J Hayman & Company Ltd on **0845 260 1634**, for full details of the cover. Apolicy and endorsement will be provided.

*United Kingdom/UK is defined as: England, Scotland, Wales, Northern Ireland and the Isle of Man.

Important - Medical Conditions

Before applying for cover, you and each person to be insured must consider the following:

All claims are excluded where at the time of taking out this insurance:

- 1. The insured person:
 - is aware of any set of circumstances which could reasonably have been expected to give rise to a claim; or
 - (ii) has suffered from a chronic or recurring illness during the previous twelve months UNLESS permission is obtained from the treating doctor of fitness to travel at the time of booking; or
 - (iii) is travelling against the advice of a doctor or where they would have been if they had sought their advice before beginning the trip; or
 - (iv) knows that they will need treatment or consultation at any medical facility during the trip; or
 - (v) is travelling for the purpose of obtaining and/or receiving any elective surgery, procedure or hospital treatment.
- 2. The person whose condition gives rise to a claim:
 - (i) is receiving, or on a waiting list for treatment in a hospital or nursing home; or
 - (ii) is awaiting the results of any tests or investigations; or
 - (iii) has been given a terminal prognosis.

If the insured person has an existing medical condition for which consultation or treatment has been received during the 6 months prior to the date of issue of the policy, the excesses under Cancellation / Curtailment and Medical repatriation & other expenses (see Summary of Cover on page 3) are increased from £40 to £80.

Cancellation rights

If your cover does not meet your requirements, you can return the documentation within 14 days of receipt.

Provided you have not travelled or made or intend to make a claim, your premium will be refunded in full.

Why do you need Cancellationplan insurance?

When your booking is confirmed, you are legally bound to pay the accommodation provider if you have to cancel your holiday as well as losing your deposit. Cancellation insurance is recommended just in case the worst should happen.
